

Rewrites of Sonic #37-46

Story 1: Quake in the Mobius of Darkness

(Formerly: "The Day Robotropolis Fell")

Fan fiction by Danny Wheeler

Sonic was causing some trouble for Eggman in the Mobius of Darkness, when Sally contacted him saying, "Sonic, if you want to save some more people, do it fast! There's going to be an earthquake in the Mobius of Darkness really soon!" Gasping, Sonic raced to an area that was the most prone to earthquakes. Sonic fought some Badniks and freed the animals and people.

Soon, Metal Sonic appeared. Sonic tried to reason with him and tell him that an earthquake was going to hit. Metal looked at him as if to say he didn't care. Sonic had to fight him off. The people got out just seconds before the quake hit. Everyone returned to the Mobius of the Sky, happy that they are now free again!

Story 2: Sonic Slows Down

(Formerly: "The Rise of Robotropolis...")

Fan fiction by Danny Wheeler

After the earthquake, Eggman sent Metal Sonic to use a ray to slow him down. He did so, and Sonic needed help to regain his speed. Uncle Chuck suggested using some magic rings to try to regain his speed. Sonic went and found some. It was good that he did, for more Super Badniks captured his friends.

Sonic returned to Mobotropolis on South Island, and saw three Super Badniks. The first was Spike, a brass fighting Badnik. Sonic defeated him and released a boxer. The next was Sir Ffuzzylogic, a robotic knight. Sonic buzzed through him and released one of the king's knights! And the third was Dragon Breath, a Dragon Badnik. Sonic slew that dragon and released a dragon friend of Dulcy. Soon, they freed the captives and drove out Eggman. Mobotropolis was freed again!

Story 3: Mecha Sonic
(Combining and altering "Rage Against the Machine" and "Court-Martial")
Fan fiction by Danny Wheeler

Nack was sent by Eggman to capture Sonic, which he does. Fortunately, Old Man Owl witnesses the kidnapping and reports back to the Queen. In the Mobius of Darkness, Eggman puts Sonic into the Badnik Maker. The blue hedgehog was turned into a ball of energy and placed into the Robo-Sonic shell. Now he was... Mecha Sonic!

Queen Alicia was alarmed to hear that their best friend had been captured. Sally, Tails, and Old Man Owl went out to fend him off. Tails kept Mecha Sonic distracted, while Sally prepared for the attack. Sally then jumped and did a jump kick on Mecha Sonic. Knuckles also stepped in and gave Mecha Sonic a few punches. Soon, Prince Elias appeared. With his sword, Elias sliced the robot down the middle, freeing Sonic! They had their friend back!

Story 4: Curing the King
(Combining and altering "...and one shall save him", "In Every Kingdom..."
and "Dream Zone")
Fan fiction by Danny Wheeler

It was not long after Sonic was saved that Mobotropolis was attacked again. This time, it was the king, still under the dark magic of the Shadow that possessed him. Sonic had to prepare to fight. Sonic found seven Chaos Emeralds and fifty rings, became Super Sonic, and were ready to fight. Sonic battled the king until he was unconscious. Tails revealed that to remove the curse, he was to find the Heart Emerald. Sonic and Sally set out to do so.

In a cave, Sally had to solve a riddle to get the Heart Emerald. The riddle was this: "In body, I am life. In mind, I am emotion. In spirit, I am either love or hatred." Sally answered, "The heart, for the physical heart controls the blood of life, the psychological heart has the emotions, and the spirit can decide it to be loving or hateful." The door soon opened, and Sonic and Sally got the Heart Emerald. They soon returned to Mobotropolis and used the Emerald to cure the king. Soon, the Mobius of the Sky got their monarch back!

Story 5: "Blue and Red vs. Blue and Red"
(Formerly: "Black and Blue and Red All Over")
Fan fiction by Danny Wheeler

It was a relaxing day in Sonic's retreat, until a distress signal was received from Mobotropolis. Evil Sonic and Anti-Knuckles, both from the reverse universe, were attacking South Island. Sonic contacted Knuckles then got Tails to take him to South Island. Knuckles joined them shortly.

Sonic took on Evil Sonic and sent him packing. The real Knuckles soon outdid anti-Knuckles, who couldn't think of anything of a friendly visit. Whatever they were doing in Mobotropolis, they were gone now.

Story 5: Jungle of Chaos
(Formerly: "Guerrilla Thriller")
Fan fiction by Danny Wheeler

Sonic and Mobie the Cave Bear were visiting the Jungle, when they had received word that Eggman was turning the War Gorillas into Badniks. Sonic and Mobie knew that this was not good, and that they must save the friends. They fought many of the Badniks and freed the Gorillas from inside them.

But then they took on General Holocaust, the Super Badnik in charge of the team. Mobie wore down the thick armor with his club, and then Sonic buzzed through it and finished it off, freeing the chief of the Gorillas! The Gorilla chief showed his gratitude by pledging their loyalty to his side. Sonic smiled as they gained a new ally.

Story 6: Melody's Debut
(Takes place between Issue 45 rewrite and Issue 46 rewrite)
Fan fiction by Danny Wheeler

On the beach of the Mobius of the Sky, the people soon found a beautiful skunk woman and brought her to Mobotropolis. Once there, she introduced her self as Melody, daughter of Baron Bach and Baroness Bernice Musicialis, of the Musical Archipelago. She told them her tale of woe, of how Eggman killed most of her family... her brothers, sisters-in-law, and cousins, and her beloved Prince Harmony were the only survivors.

The people became sympathetic toward her and wanted to help. She was so happy that she had new friends, Melody showed them how she got

her name—she sang to them a heartwarming song. She also did a dance for them that was truly magical.

Story 7: Lupe's Rescue
(Formerly: "Countdown to Armageddon")
Fan fiction by Danny Wheeler

Shortly after Melody was gained as an ally, Sonic searched about the Mobius of Darkness to find some more Badniks to fight. Soon, he encountered a Super Badnik known as the Jade Beast. Sonic recognized it as Lupe, leader of the Wolf Pack, a group who fought Eggman as well. Sonic had to dodge the monster's "Beast Lightning" to get close enough to fight. Soon, Sonic buzzed through the beast and freed Lupe. She soon followed Sonic back to the Mobius of the Sky.

In Mobotropolis, Lupe reveals Eggman's plans of a Doomsday Project. The people gasped when they heard this, and the King and Queen sent spies to check out the situation and report back on what they find.
